

ADD A LOGO TO YOUR ACCOUNT

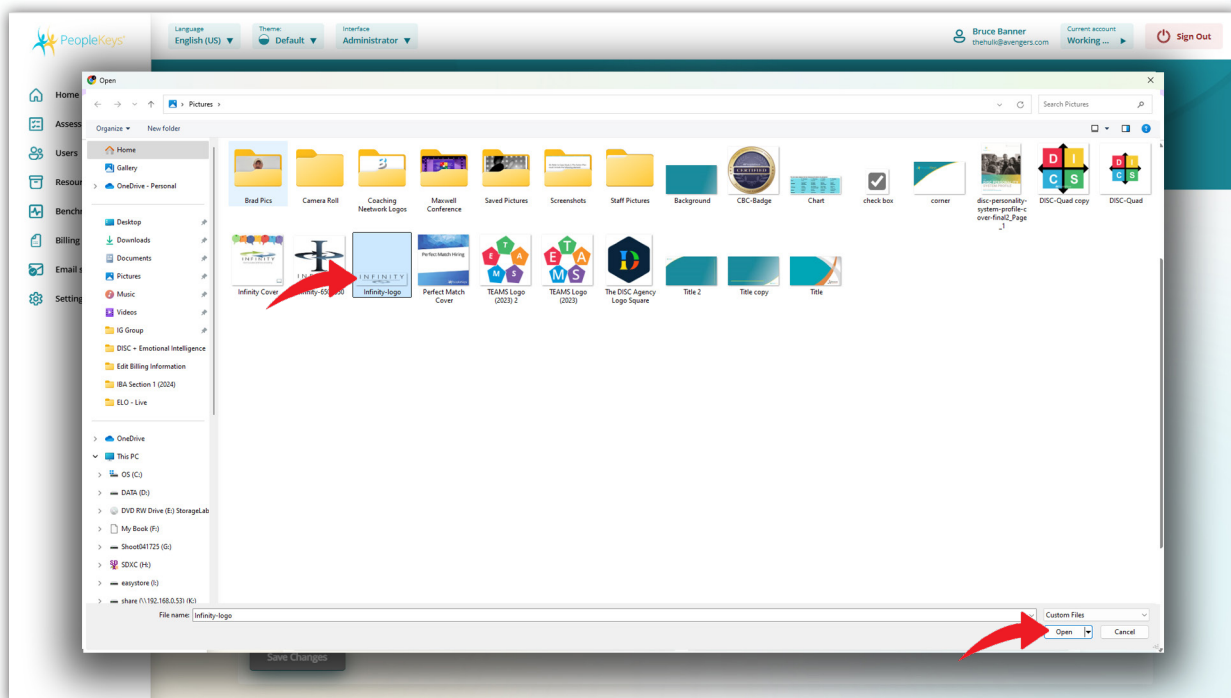

1. From your account homepage, in the Settings Box, click **Upload Account Image**.

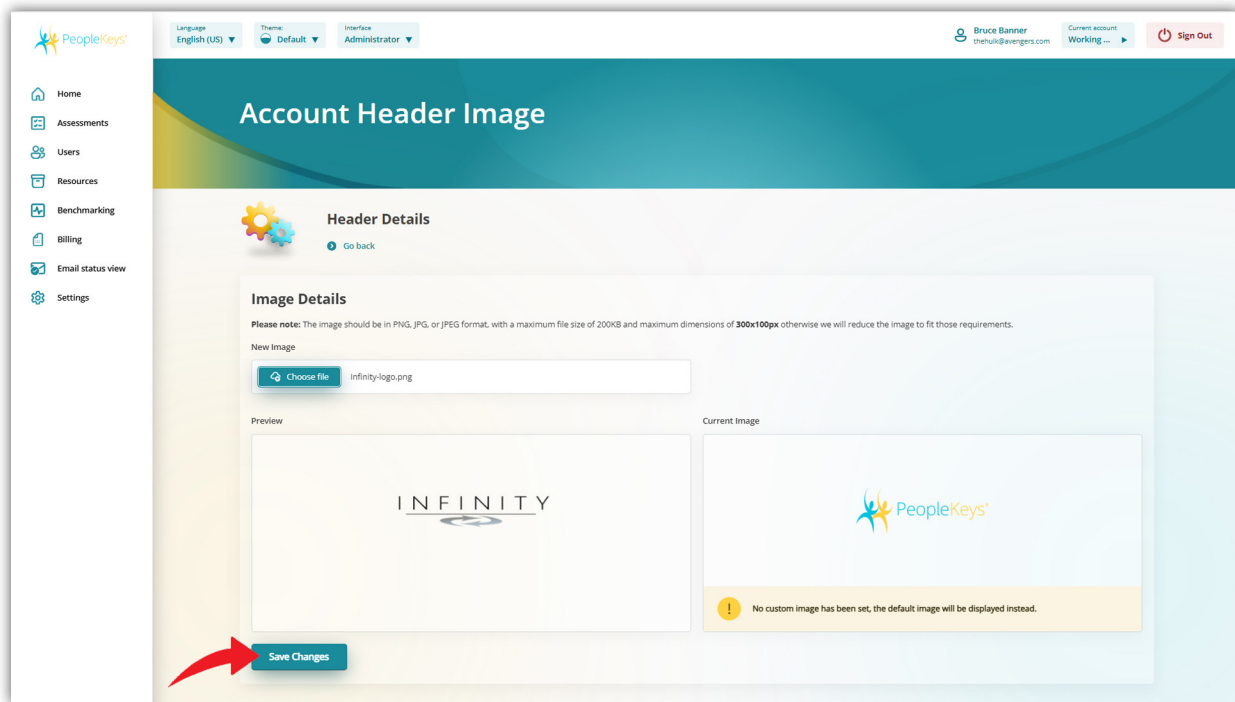

2. To add a logo to your account, click the **Choose File** button.

3. From the search window, select a PNG image from your computer and click the **Open** button.

4. Your selected image is now visible in the preview windows. If you are happy with the new image click the **Save Changes** button.

5. Look for the image saved confirmation message.
