

GRAPH COMPARISON

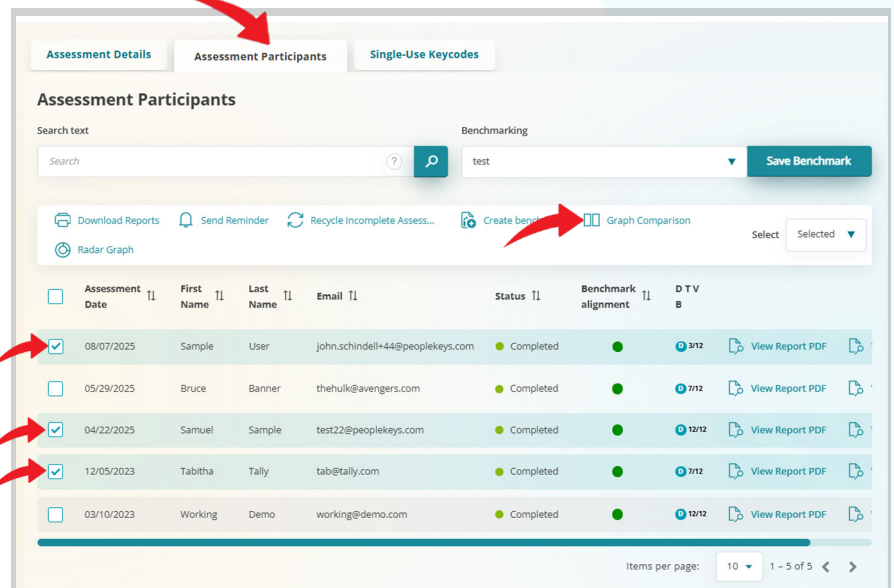

- From your account homepage, in the Assessments Box, click **View Assessments**.

- From the View Assessment page, locate the KeyCode you want to use then click **View Participants**.

- On the following page, click the **View Participants** tab.

- From the list, you can select the participants you want to include by checking the box in the far left column.

- Once your participants have been selected, click **Graph Comparison**. Clicking this link will display a single DISC graph for each participant selected (see below).

- To download the graphs as a PDF document, click **View Report PDF**.
