

CUSTOM COVER PAGE

1. From your account homepage, in the Resources Box, click **Cover Page Image**.

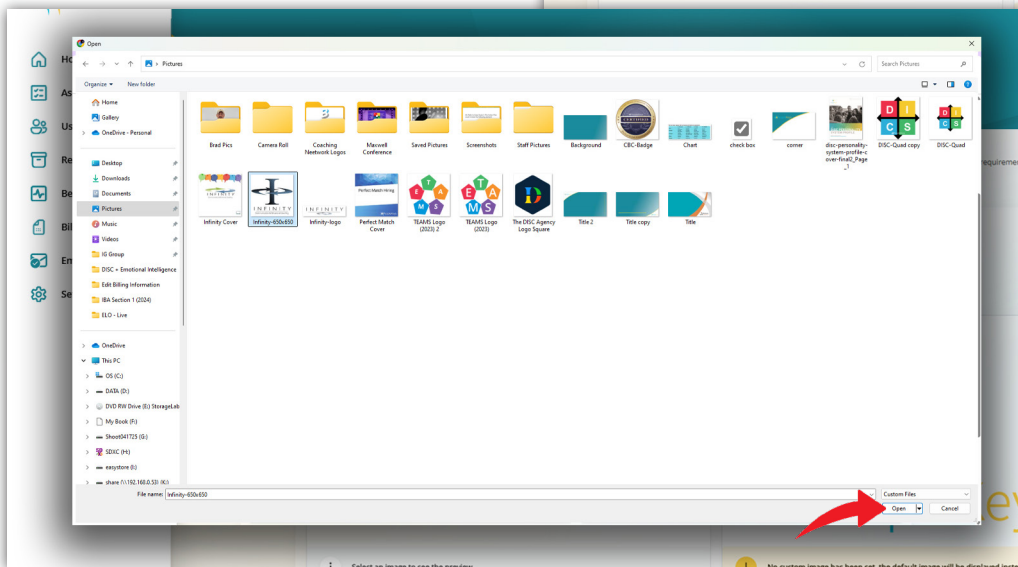

2. To add a logo to your account, click the **Choose File** button.

3. Use the pop-up window to search for a JPG image from your computer.

The optimal size for a cover image is 650 x 650 pixels.

Click the Open button to select your image.

4. You will now see your new image displayed in the preview window.

You can click Remove at any time to return to the default cover image.

To use the new cover, click **Save Changes**.
